**\*\*\*For customers ordering from outside the United States, please provide the following information:**

**Would you like your order shipped by sea (4-6 weeks) or by air (7-10 days)? Air is 3-4 times more expensive. For parcels under 4 pounds, we can send Air Letter Packet uninsured which is very reasonable. Also how should we value the box for customs and insurance? Actual value or less? If we write down less than actual value or send Air Small Packet, the customer is liable if the package is lost or damaged by the post office in shipping.**
